

# Corporate Sponsors Scheme

**The Fusilier Museum is home to the collections of the XX Lancashire Fusiliers and the Royal Regiment of Fusiliers.**

As a registered charity, the majority of our funding comes from general admissions, the Regiment, national funding bodies and from general museum fundraising events.

In recent years accessing this funding has become increasingly difficult so we have started working closely with likeminded local and regional businesses and organisations to help us develop and expand the business further.

From as little as £350 per year your organisation or business could become a corporate sponsor and take advantage of a wide range of benefits including free room hire, discounts, museum entry for staff and association with our high profile temporary exhibition programme. Further details about the packages and their benefits are detailed overleaf.

We would also welcome the opportunity to discuss with you any ways in which your business or organisation might wish to become more involved in the Museum and its work.

For further information about the Corporate Sponsors Scheme please contact a member of the team on 0161 763 8950 or email [events@fusiliermuseum.com](mailto:events@fusiliermuseum.com)

Thank you so much for your support!
